Guwahati is hosting the 11th Film Preservation and Restoration Workshop India (FPRWI) 2026 from November 21 to 28, with around 50 participants from India and abroad. The workshop focuses on developing professional expertise in film conservation, restoration and archival management to protect the cinematic heritage of Northeast India.

The Outstanding Achievement Award was presented to Etienne Marchand of France’s Institut National de l’Audiovisuel (INA). He regularly teaches at Film Heritage Foundation workshops, specialising in digital infrastructure, data management and the preservation of born-digital media.
