

- **Advancing North East** is a digital portal developed by the **North Eastern Council** under the **Ministry of Development of North Eastern Region**, in collaboration with **North Eastern Development Finance Corporation Ltd..**
- It serves as a **One Stop Solution** resource centre aimed at supporting, mentoring, and empowering youth across the Northeastern states.
- The portal provides information on education, skill development, entrepreneurship, career opportunities, startups, and government schemes.
- It seeks to enhance youth participation in economic development and improve access to opportunities across the region.

APSC Relevance: Youth Empowerment; Northeast Development
