The Assam Cabinet has approved amendments to the Matak Autonomous Council Act, 2020, Kamatapur Autonomous Council Act, 2020 and Moran Autonomous Council Act, 2020, to introduce a non-party-based electoral system for their General Councils.

A new Section 36A will be incorporated into each Act, explicitly barring political parties from participating in these elections. The amendments aim to provide a clear statutory basis for conducting non-party elections to the three autonomous bodies.
