Assam is associated with the extensive spiritual travels of Guru Nanak Dev Ji, the founder of Sikhism, who undertook four major journeys known as *Udasis* over more than two decades. His travels reportedly extended to Mecca, Baghdad, Mount Kailash, Sri Lanka and Assam, reflecting a life of spiritual exploration and cultural interaction.

His sister, Bebe Nanaki, was the first to recognise his spiritual calling and supported him throughout his life. Before beginning his missions, he worked at the grain store of Nawab Daulat Khan Lodi in Sultanpur Lodhi.
