

Assam to Establish Anti-Narcotics Task Force

Assam plans to constitute an **Anti-Narcotics Task Force within a month** to strengthen action against the state's growing drug trade. The specialised unit will focus on **property attachment, forensic investigation, financial networks of traffickers and preventing procedural lapses**.

Assam will also strengthen coordination with **Manipur, Mizoram and Arunachal Pradesh**, while examining **preventive detention** of major traffickers. Authorities will review rehabilitation centres following reports of drugs being available in some facilities.
