Pragyanxetu and Team

I am deeply grateful for your continuous guidance and support throughout my journey. Though I did not take any formal coaching, your invaluable insights and mentorship played a crucial role in my success. It is because of your help that I was able to secure the position of CDPO under the Department of Women and Child Welfare.

Thank you for being a guiding light in this journey. I truly appreciate all that you have done for me!

Warm regards,
Bhargob Ligira
