Today’s CDPO viva interaction details being forwarded by one of our group members.

Jayashree Das

My interview was mostly in Assamese (Communication)

Firstly the chairperson asked me about my educational background and family background.

Why did I shift from Political science(Graduation subject) to Sociology in PG

Work experience if you have any

During the conversation I mentioned my work in animal welfare.

They seemed interested in knowing how I deal with the cases, about findings.

Any experiences related to wildlife.

The third question was regarding how I am fit to be a CDPO.

Issues related to Anganwadi centres

Since I did my MA in Pondicherry.
They asked me about Pondicherry. What is it famous for?

Mention some initiatives taken by the govt for WCD

Etc.
