Ethiopia will host the 32nd UN Climate Change Conference (COP32) in November 2027 in Addis Ababa, following the endorsement of its candidature by the African Group at COP30. The event will bring global attention to Africa’s climate challenges and development priorities.

Key focus areas include climate finance, adaptation, mitigation, clean energy investment and implementation of international climate commitments. Ethiopia’s Foreign Minister, Dr Gedion Timothewos, will serve as the COP32 President-Designate.
