

Cotton University gets A grade 2024

Cotton University has been accredited A grade by NAAC

It has become the first public University in Assam to be accredited grade A in its first cycle of NAAC assessment

First cycle of NAAC assessment : Institutional Preparation: The institution prepares itself by setting up an Internal Quality Assurance Cell (IQAC) and gathering relevant data on various aspects like academic programs, faculty, student achievements, governance, and infrastructure.

Submission of Institutional Information: The institution submits its Institutional Information for Quality Assessment (IIQA) and a Self Study Report (SSR), which contains details about its functioning, to NAAC.
