Recently we had a conversation with Angana Hazarika serving as an Enforcement Inspector in Assam. She has sent a message for our Pragyanxetu group members.

Dear Candidates,

As you prepare for the Enforcement Inspector exam that will be conducted by Assam Public Service Commission on February 23, 2025, I wanted to remind you to focus on a few key areas.

Revision Essentials:

- Motor Vehicle Act: Make sure you're familiar with the latest amendments and regulations.
- Transportation Schemes and Policies: Study the initiatives undertaken by the government to develop the transportation sector, including national highway projects.
- Current Affairs: Stay updated on news related to transportation, including any recent developments or changes in policies.
- Traffic Rules: Brush up on the latest traffic rules and regulations to ensure you're well-prepared.

By focusing on these areas, you'll be well-equipped to tackle the exam with confidence. Stay calm, focused, and best of luck!
