The Department of Geography, Gauhati University, will host the **46th Annual Congress of the Indian National Cartographic Association (INCA)** from November 19 to 21, 2026. The event will be accompanied by an international seminar on *'Smart Cartography for a Sustainable Common Future'*.

Organised in collaboration with the Commonwealth Geographical Bureau, the three-day event is expected to bring together delegates from Germany, Israel, Romania, Nepal and Bangladesh, along with participants from nearly all Indian states. It will provide a platform for academic exchange on modern cartographic techniques and sustainable development.

APSC Relevance: Cartography, Sustainable Development.
