The Manas National Park and Tiger Reserve in Assam will remain closed for tourists every Tuesday, starting from April 10

The move is in compliance with the Government of India’s Ministry of Environment, Forest and Climate Change and National Tiger Conservation Authority’s directives.

The announcement comes just a few months after the Assam Tourism Development Corporation (ATDC) and Indian Hotel Company Limited (IHCL) signed an MoU for setting up hospitality projects at Manas National Park. Under the agreement, the Tata Group will construct a 70-80 room hotel on 3.25 acres of land in the park.
