

National Centre of Excellence for Swimming

The **National Centre of Excellence (NCoE) for Swimming** was inaugurated at **Amingaon, Kamrup**, on **28 August 2026**. Built by the Assam Government at around **₹50 crore**, the facility includes a **50-metre, nine-lane Olympic-standard pool**, a 25-metre diving pool and spectator galleries with **1,309 seats**.

The **Sports Authority of India (SAI)** will operate the centre for **30 years**, managing coaches, support staff, equipment, training camps and competitions. The facility aims to strengthen Assam's sports infrastructure and develop high-performance swimming talent.

APSC Relevance: Sports Development; Assam Infrastructure.
