Assam-based Numaligarh Refinery Limited (NRL) has signed a Memorandum of Understanding (MoU) with T-Hub (Technology Hub), a innovation hub and ecosystem enabler based out of Hyderabad.

Under the MoU, NRL and T Hub will jointly collaborate on business innovation and growth hack for NRL's flagship startup program, 'iDEATION'.

NRL stated, "T-Hub is India's pioneering innovation ecosystem and strives to create impact for startups, corporations and other ecosystem stakeholders. This MoU will mark a significant step in the direction of 'Atmanirbhar Northeast and Atmanirbhar Bharat'.

Through this collaboration, NRL aspires to develop an emerging tech innovation cohort, leveraging cutting-edge technologies such as IoT, Blockchain, and Generative artificial intelligence (AI). In line with NRL's commitment to the energy transition, NRL also endeavors to conduct specialized hackathons focused on exploring growth opportunities in the energy transition scenario.
