

- After Assam, **Rajasthan** has constituted a high-level committee to prepare the draft of the **Rajasthan Uniform Civil Code (UCC), 2026**.
- The proposed framework includes **mandatory registration of marriages and divorces**, a **complete ban on polygamy**, mandatory registration of **live-in relationships**, and **equal inheritance rights** for sons and daughters in ancestral property.
- The committee will conduct divisional-level consultations and invite public suggestions through an online platform before finalising the draft.
- The initiative aims to establish a uniform legal framework governing personal laws while ensuring wider public participation in the drafting process.
