Rajmala, the royal chronicle of the **Manikya dynasty of Tripura**, is among the **oldest continuous royal chronicles in India**. Compiled in the **15th century** during the reign of **Maharaja Dharma Manikya**, it records the history, traditions, and cultural heritage of the Tripura kingdom, portraying the Manikya rulers as custodians of **dharma**.

According to **Rajmala**, the Manikya dynasty traced its origin to **Druhya**, son of **Yayati**, of the **Lunar Dynasty (Chandravansha)**. The chronicle reflects the dynasty's deep devotion to **Lord Jagannath**, emphasising the belief that the true sovereign of the kingdom was **the deity in the temple rather than the king on the throne**.
