In the past one year, security forces have intensified their efforts towards restoring normalcy in Assam, especially in Upper Assam, wherein certain pockets of ULFA (I) are still active

As many as 107 cadres and supporters of the banned United Liberation Front of Asom-Independent (ULFA-I) arrested since 2022 by the security forces with the recovery of weapons in a bid to restore complete normalcy in the northeastern states

the above claims by the security forces have come after one Pro-Khalistani group Sikhs for Justice (SFJ) had responded to a letter from banned militant outfit ULFA-I, of late, claiming that they are ready to extend support for the “Assam Independence Referendum”
