

'Satyagraha' Digital Platform

Leader of Opposition in the Lok Sabha, Rahul Gandhi, launched 'Satyagraha', a digital platform around Mahatma Gandhi's birth anniversary to bring together information on protests and public grievances across India. Inspired by Gandhi's principles of truth and non-violent resistance, the initiative seeks to connect diverse public movements.

The platform features an interactive 'Satyagraha Map', displaying information submitted by users about their causes and struggles. It aims to help people identify similar movements across regions, encourage solidarity and strengthen public engagement with social and civic issues.
