The Assam Government has constituted a **special committee** to advise on the development and transformation of **Zubeen Kshetra**, a proposed cultural centre dedicated to preserving and celebrating the legacy of Zubeen Garg.

Earlier, the **Revenue and Disaster Management Department** had transferred **10 bighas of land** to the **Directorate of Cultural Affairs** for establishing the project. The initiative aims to promote Assam's cultural heritage and create a permanent institution honouring one of the state's most celebrated artistes.

APSC Relevance: Art & Culture; Governance.
