

Location: Chandipur block, Kailashahar, Unakoti District, Tripura.

Initiative: Part of Bamboo Value Chain Development under Tripura Bamboo Mission.

Objective: Boost bamboo-based industrial activities through value addition and modern production.

Historical Context:

First Bamboo Park: Established in 2007 at RK Nagar, West Tripura.

Management: Funded by Ministry of Industries & Commerce; Managed by Tripura Industrial Development Corporation.

Impact: Supported growth of bamboo-based MSMEs in the state.

Key Features of Proposed Park:

Modern production units to manufacture:

Activated charcoal

Biodegradable utensils (bamboo-plastic blends)

Eco-friendly bamboo fibre cups

Significance:

Promotes green economy and sustainable development.

Encourages MSME growth, employment generation, and rural industrialization.

Strengthens Tripura's leadership in bamboo innovation.
