effectively require 13 recharges in a year.

Which of the statements given above is/are correct?

(a) 1 only

(b) 2 only

(c) Both 1 and 2

(d) Neither 1 nor 2

**Q36.**

Consider the following statements regarding the Fiscal Health Index (FHI) 2023–24:

1. Arunachal Pradesh has topped the Fiscal Health Index among North Eastern and

Himalayan states, according to a report released by NITI Aayog.

2. The second edition of the Fiscal Health Index covers 18 major states and 10 North

Eastern and Himalayan states, including Tripura, Meghalaya, Assam and Uttarakhand.

Which of the statements given above is/are correct?

(a) 1 only

(b) 2 only

(c) Both 1 and 2

(d) Neither 1 nor 2

**Q37.**

Consider the following statements regarding the Ekta Mall in Guwahati:

1. The Ekta Mall in Guwahati will host stalls representing all districts of Assam as well as different states of India.

2. The initiative reflects the spirit of “Ek Bharat, Shreshtha Bharat.”

Which of the statements given above is/are correct?

(a) 1 only

(b) 2 only

(c) Both 1 and 2

(d) Neither 1 nor 2

**Q38.**

Consider the following statements regarding Premadhar Sarmah:

1. Premadhar Sarmah joined the Assamese daily Dainik Asam in 1965 as its first sports reporter.

2. In 1992, he was part of a media delegation that attended the Earth Summit in Rio de

Janeiro, Brazil, along with Prime Minister P. V. Narasimha Rao.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q39.**

Consider the following statements regarding the 'Kaushal Connect' mobile application:

1. The 'Kaushal Connect' app was launched at the Swahid Smarak Kshetra playground in Boragaon, Guwahati.
2. The platform aims to connect skilled individuals from more than 50 sectors with suitable employment opportunities.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q40.**

Consider the following statements regarding the postal network in Assam:

1. Assam has 4,048 post offices, of which 3,726 are located in rural areas.
2. The state's postal network includes 4,101 letter boxes facilitating communication and

delivery services.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q41.**

Consider the following statements regarding the Diphu Cancer Centre in Assam:

1. The Diphu Cancer Centre in Karbi Anglong has been developed at an estimated cost of ₹270 crore.
2. The initiative is part of efforts to strengthen healthcare infrastructure in the region, along with plans to establish a BSc Nursing College in Diphu.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q42.**

Consider the following statements regarding the newly discovered plant species *Osbeckia zubeengargiana*:

1. *Osbeckia zubeengargiana* is a newly described plant species belonging to the family

Melastomataceae, discovered in Manas National Park of Assam.

2. The species has been named in honour of Assamese singer Zubeen Garg, based on

research conducted by Barnali Das.

Which of the statements given above is/are correct?

(a) 1 only

(b) 2 only

(c) Both 1 and 2

(d) Neither 1 nor 2

**Q43.**

Consider the following statements regarding Kavach 4.0:

1. Kavach 4.0 has been commissioned across 1,452 route kilometres on the Delhi–

Mumbai and Delhi–Howrah railway corridors.

2. The system includes features such as automatic braking when a train crosses a red

signal or exceeds speed limits and an SOSR function to broadcast emergency alerts

to nearby trains.

Which of the statements given above is/are correct?

(a) 1 only

(b) 2 only

- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q44.**

Consider the following statements regarding “black rain”:

1. Black rain refers to precipitation contaminated with soot, hydrocarbons and other pollutants released from large-scale fires or industrial combustion.
2. The phenomenon may occur when smoke and particulate matter from burning oil or fuel mix with rain-bearing clouds in the atmosphere.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q45.**

Consider the following statements regarding tea estate golf courses (“teatees”) in Assam:

1. Assam has nearly 23 golf courses located within tea estates, many of which are natural nine-hole layouts.
2. A proposal has been discussed to develop these tea estate golf courses as a niche tourism and sporting circuit in the state.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q46.**

Consider the following statements regarding the Periodic Overhauling (POH) workshop in

Assam:

1. The Prime Minister laid the foundation stone for a Periodic Overhauling (POH) workshop at Bashbari in Kokrajhar district.
2. The proposed workshop aims to strengthen railway maintenance infrastructure and improve operational efficiency in the region.

Which of the statements given above is/are correct?

- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q47.**

Consider the following statements regarding recent energy infrastructure projects in

Northeast India:

1. The Capacity Enhancement Project of the Numaligarh–Siliguri Product Pipeline will facilitate the expansion of Numaligarh Refinery from 3 MMTPA to 9

MMTPA.

2. Phase 1 of the North East Gas Grid connects Guwahati with Numaligarh, Gohpur and Itanagar, with a branch line extending to Dimapur.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q48.**

Consider the following statements regarding the proposed Assam Golf Trail:

1. The proposal aims to create a cluster of golf courses in Assam, inspired by the

Robert Trent Jones Golf Trail in the United States.

2. The initiative seeks to promote tourism and attract foreign investors, with the

expectation that the model could become self-sustaining over time.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q49.**

Consider the following statements regarding the recent redesign of Google Maps:

1. The redesign will rely on Google's Gemini technology to integrate

artificial

intelligence features into the mapping service.

2. One of the new tools called “Ask Maps” will provide conversational suggestions such as nearby charging points, cafés with shorter queues and travel itineraries.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q50.**

Consider the following statements regarding the Centre for Development of Telematics

(C-DOT):

1. C-DOT received global recognition at the Mobile World Congress 2026 in Barcelona for its AI-driven fraud detection solution “Fraud Pro.”
2. C-DOT functions as an autonomous telecom technology centre under the Department of Telecommunications (DoT).

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q51.**

Consider the following statements regarding all-women police stations in India and

Assam:

1. Across India, there are around 745 all-women police stations dedicated to addressing crimes against women.
2. Historically, Assam had only one all-women police station, whereas states such as Manipur, Delhi, West Bengal and Tamil Nadu have established several such stations.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q52.**

Consider the following statements regarding the crude oil tanker 'Shenlong':

1. Shenlong is a Suezmax-class crude oil tanker transporting crude oil from Ras Tanura Oil Terminal to India.
2. The vessel is Liberia-flagged, which means it is registered under Liberia's maritime registry under the practice known as a "flag of convenience."

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
- (c) Both 1 and 2
- (d) Neither 1 nor 2

**Q53.**

Consider the following statements regarding cruise terminals on the Brahmaputra River in Assam:

1. The Cruise Terminal at Biswanath Ghat aims to boost river tourism on the Brahmaputra and enhance passenger facilities and cruise infrastructure.
2. The Cruise Terminal at Neamati seeks to promote river-based tourism and create opportunities for local hospitality services, crafts and small enterprises.

Which of the statements given above is/are correct?

- (a) 1 only
- (b) 2 only
